REQUEST FOR WITHDRAWAL OF FINALITY OF ACTION

Customer Service Window, Mail Stop Amendment  
Honorable Commissioner for Patents  
U.S. Patent and Trademark Office  
Randolph Building, 401 Dulany Street  
Alexandria, Virginia 22314

Sir:

We are in receipt of a final action dated July 7, 2009. In that action, claim 1 is rejected on new grounds, based on a newly cited reference (Li et al.).

The Li patent is relied upon for its disclosure of a "step of acquiring being carried out while the subnetwork is idle, i.e. without traffic load".

This is the only limitation in amended claim 1 for which the Li patent is relied upon.

This limitation previously appeared in claim 3, which depended from claim 1.

Had it not been for the incorporation into claim 1 of the limitation that had been presented in previously pending claim 3, there would have been no reason to rely on the newly cited reference to support the rejection of claim 1.

Accordingly, it is clear that the rejection of amended claim 1 on new grounds was not necessitated by applicants' claim amendments.

Therefore, the finality of the rejection must be withdrawn to afford applicants the opportunity to fully respond to the new ground of rejection, and it is asked that such action be taken.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.
